Agenda/Minutes of our council meetings are posted every month under the government tab.

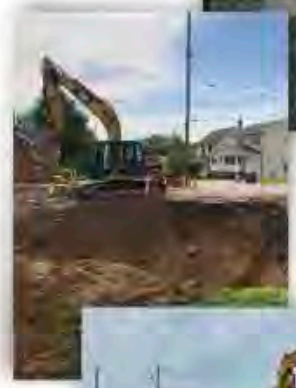
From Mayor Bacci's Desk

Greetings and hope everyone is well! Our staff is now shifting gears and preparing for our big event, the annual Corn Roast which will be held on Saturday, October 7. As always, we hope our residents will stop by to grab a bite to eat, visit with neighbors, watch our kids enjoy this now—traditional event, or see the incredible fireworks that evening. Pictured are village residents Debbie Namy, Jim Fonte, Councilwoman Lois Henley and Valley View resident Karen Sammons from last year's event.

Summer is rounding third and heading home—the pool and concession stand are now closed for the season, and this weekend is the Labor Day holiday. I wanted to take a moment and thank our Recreation Coordinator, Pool Manager and pool staff for their end of the season pool party. The party was held on Saturday, August 12 but only for a short time because of the rain and storms that arrived in town. However, they continued with the festivities the next day, Sunday, August 13. Those that attended had a great time—there was pizza, an ice cream truck, photobooth, give aways and a raffle. Congratulations to the Sokolowski family for winning the raffle—2024 pool passes. Pictured are patrons in the pool 30 minutes before the pool closed for the season. I also wanted to thank our Concession Manager and her staff for another great summer at Bacci Park. Once again, everyone enjoyed the food trucks, live music and all the goodies at the concession stand—especially the chicken sandwiches and fresh baked cookies!

Around Town

The old Benjamin Moore building at the corner of Grant Avenue and East 71st Street came down the week of August 14, as did the two homes on Marcelline Court. The village acquired several grants for these projects to help with the demolition costs. Also, the contactors at the Benjamin Moore site will stabilize and build a retaining wall alongside East 71st Street. The above noted properties will be completed in a manner so that they will be shovel ready for future residential and commercial development.



Contractors also started working on the overlook area of the top portion at the Willowbrook Connector which will include fencing and light landscaping. We are hoping to have this project completed by mid-September of this year.

After the corn roast and while weather permits, we will continue to layout and prepare our future pickleball courts, as well as a gaga ball pit for our little ones at Bacci Park. Hopefully, they will be ready for our residents to enjoy in late spring 2024.

From Mayor Bacci's Desk (continued)

Kelleys Island

This past Monday, August 28, I took a group of the seniors in town along with my department heads to Kelleys Island for the day. You couldn't have asked for a better day! Lake Erie was smooth like a sheet of glass, the sun was warm and the temperature was perfect, and it didn't RAIN! Those in attendance had a great time riding around in golf carts—checking out sites such as the Glacial Grooves which has been closed for the past few years for renovations. They added a brand new loop trail with fencing, informational markers and a lookout area which was absolutely breathtaking. Others checked out the Quarry, Herndon Galleries & Sculpture Gardens, Kelley's Island Wine Co.—just to name a few. I look forward to doing this again next year with our seniors.

NEORSD

Northeast Ohio Regional Sewer District will be holding their Clean Water Fest at their southerly wastewater treatment center here in town on Saturday, September 23 from 9:00 a.m.-4:00 p.m. There will be free games, giveaways, tours, trucks, educational events and much, much more. This is a great event and everyone should attend at least once to have a greater understanding of how the District operates, not only treating wastewater, but how Operation Clean Lake (Lake Erie) will have a positive impact on our fresh water source for generations to come.

Neighborhood News

In case you were not aware, The Neighborhood News is celebrating their 100th anniversary. With that being said, they are having a celebration on Sunday, September 24 at Klima Gardens from 12:00-4:00 p.m., and village residents are invited to attend. Hope you can make it to this very special event.

General Election

Tuesday, November 7 is the General Election. There will be local, county, and state items on the ballot—noting that three council positions are up in our local election. Also, the Cuyahoga Heights Schools will have a very important levy on the ballot as well. Please see the attached information in this newsletter as it relates to the levy. If you have any questions, please contact Superintendent Tom Evans. If you have moved or changed your name since you last voted, you must complete a new registration form to reflect your new address and/or new name. Voter registration forms must be postmarked 30 days before an election in order to be eligible to vote. The registration form, as well as "Vote by Mail" applications are available for our residents at the village hall during normal business hours. Otherwise, you can go online at boe.cuyahogacounty.gov and fill out the forms. If you need additional information, the board of elections' phone number is 216-443-8683.

From Mayor Bacci's Desk (continued)

Birthdays

September birthday wishes to employees: (3) Eric McKenzie, (4) Sean Coubrough, (9) Councilman Todd Bloam, (11) Dean DePiero, (17) Debbie Reiger, (18) Brad Unger, and (21) Justin Gvora.

Deepest Sympathies

For those residents that may remember Gary and Kathy Swartout (sons Greg and Jim—several of us grew up with the boys) resided at 4929 East 71st Street. After 40 years of residing in town, Gary and Kathy sold their house in 2015 to move to Arizona for health reasons. We recently found out that Gary passed away on August 7 at the age of 84. He and Kathy had been residing in Clearwater, Florida for the past several years. Please keep their family in your thoughts and prayers.

Wishing everyone a very safe and happy Labor Day holiday.

"In any moment of decision, the best thing you can do is the right thing, the next best thing is the wrong thing, and the worst thing you can do is nothing."

~Theodore Roosevelt

Council Member Spotlight

Councilman: David Volek
4680 East 71st Street Cuyahoga Heights, OH 44125
Phone: (216) 570-6239
Email: d.volek@cuyahogaheights.com

Greetings to all! As many of you know, I am David Volek and thrilled to be serving my first, of what I hope is a few more terms as an elected council person. I married my high school sweetheart, Stephanie Kalish way back in 1984. Yes, she is the granddaughter of Hank and Leona Kalish and also of "Chief" Walter and Lottie Kaczmarek.

We have 3 children, Joshua, Daniel and Samantha. Joshua also lives in the village with his wife, April. Daniel is close by in Old Brooklyn and Samantha is married to Garrett Hodge of Valley View. Samantha and Garrett are expecting twin girls in October and reside in Akron, Ohio. All three of my children graduated from Cuyahoga Heights and have enjoyed great successes in their personal life.

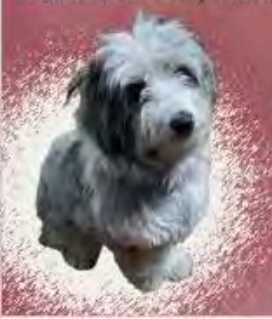
Education: Graduate of Nordonia High School 1982 & Columbia Southern University, associate degree, Criminal Justice.

Volunteer: CHS drama department for many years as "Scrooge" as well as props, lighting, and other misc. school functions, even awarded "Parent Volunteer of the Year!". In addition to many village functions and playing music at the food trucks.

Employment: Northfield Center Fire Department, Firefighter/EMT 1982 - 1990, South Euclid Police Department 1987-2017, Field Training Officer, Plain Clothes Detective, Community Policing Programs, Liaison to Notre Dame College of Ohio & Cuyahoga Heights Police Department 2016 - 2018.

After retirement I worked at Hawthorn Valley Golf Club, Alert Care, and currently drive a bus for Fast Park and Relax at the airport.

Hobbies: Golf, Music, the band...."Simpler Time", the dog, "TITO" and cruise vacations.



"My 23 years in the village has made me a better person, friend and neighbor. It did not take long for me to realize that this isn't just a small town, it is truly a community. Having served on both the recreation and zoning boards, gave me a true understanding of the value of our residents and on the many great things we have in the community. As a council person, I realize that it is only by working together and getting involved, that we will continue to have great success in our community."

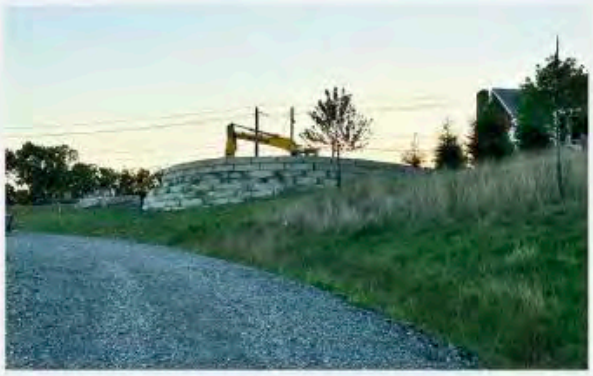
From the desk of your
Chief Financial Officer Angel Meriwether

Village Finance Update

At the end of July our RITA Income Tax Revenue totaled $9.7 million; our total revenue is trending as expected and on track to reach the budgeted total revenue at year end.

We are delighted to have been awarded over $700,000 in grant funding to be used on various projects throughout 2023.

Some of these projects include the Bacci Park playground, demolition of the old Benjamin Moore site, demolition of houses on Marcelline Ct. and the Willowbrook Connector Trailhead project as seen in the pictures below.

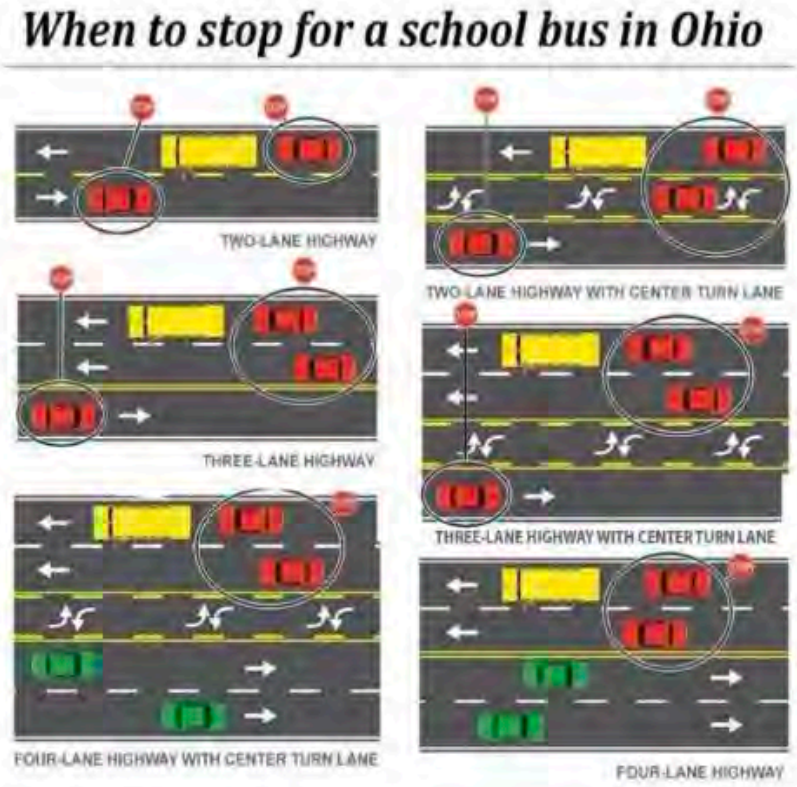


A Message from Your Police Department

It is once again that time of the year when our young persons are returning to school. You may have noticed that the school zone signals on E.71st have already been turned on. An early start allows for an "educational" period for motorists and also helps to protect our students who are already at the school practicing for their upcoming fall sports and extra-curricular activities. The signals will be active M-F 06:30 am to 04:00 pm. Due to the constant and consistent traffic arriving and departing the Cuyahoga Heights campus throughout the day the signals will not be turned off while school is in session. Please review the following safety tips:

Driving in the School Zone

- **Be on the lookout for school zone signals and ALWAYS obey the posted 20 MPH speed limit.**
- **When entering a school zone, be sure to slow down and obey all traffic laws.**
- **When required, always stop for school busses that are loading or unloading children. (see image below)**
- **Watch out for school crossing guards and obey their signals.**
- **Be aware of and watch out for children near schools, bus stops, sidewalks, in the streets, in school parking lots, etc.**
- **Never make U-Turns while driving in a school zone.**
- **Never text while driving in a school zone.**
- **Do not use cell phones, unless it is completely hands-free, while driving in a school zone.**
- **Unless permitted to do so, never use handicap spaces, bus lanes, or fire lanes to drop off or pick up children at school.**



FOR ALL EMERGENCIES CALL 911

A Message from Your Police Department

School Bus Safety

- **Make habit of arriving at the bus stop at least five minutes before the scheduled arrival of the bus.**
- **Make sure your child stays out of the street and avoids excessive horseplay while waiting for the bus.**
- **Stand at least six feet from the curb while waiting for the bus.**
- **Wait until the bus has completely stopped and watch for the driver to signal that it's safe to board.**
- **Hold on to the handrail and find a seat quickly once boarding the bus.**
- **Listen to the bus driver and sit still to avoid any distractions.**
- **After exiting the bus, cross only in the front, never behind it.**
- **When crossing, make eye contact with the driver and wait for the driver's signal that it is okay to cross. Look left-right-left and safely cross when there is no traffic or vehicles that have stopped.**
- **When on the bus make sure to buckle up if seat belts are available.**
- **Keep aisles clear of books and bags.**

Walking to School

- **Leave early enough to arrive at school at least 10 minutes prior to the start of school.**
- **Use the same route every day and never use shortcuts.**
- **Go straight home after school. Do not go anywhere else without permission.**
- **Always use public sidewalks and streets when walking to school.**
- **Demonstrate traffic safety awareness and pick the safest route between your home and the school and practice walking it with your children.**
- **Try and walk to school with other students. There is strength in numbers.**
- **Teach your children to recognize and obey traffic signals, signs, and pavement markings.**
- **Only cross streets at designated crosswalks, street corners and controlled intersections.**
- **Always look both ways before crossing the street and never enter streets from between obstacles like parked cars, shrubbery, signs, etc.**
- **Always walk and never run across intersections.**
- **Avoid talking to strangers. Teach your children to get distance between themselves and anyone who tries to approach or contact them. If a stranger does approach your child, make sure they know to immediately report the incident to you, a teacher or a police officer.**
- **Teach your children to never get into a vehicle with anyone, even if they know them, without your permission.**

FROM THE DESK OF YOUR FIRE CHIEF, MIKE SUHY

Clothes Dryer Safety

Doing laundry is most likely part of your every day routine. But did you know how important taking care of your clothes dryer is to the safety of your home? With a few simple safety tips you can help prevent a clothes dryer fire.

- Have your dryer installed and serviced by a professional.
- Do not use the dryer without a lint filter.
- Make sure you clean the lint filter before or after each load of laundry. Remove lint that has collected around the drum.
- Rigid or flexible metal venting material should be used to sustain proper air flow and drying time.
- Make sure the air exhaust vent pipe is not restricted and the outdoor vent flap will open when the dryer is operating. Once a year, or more often if you notice that it is taking longer than normal for your clothes to dry, clean lint out of the vent pipe or have a dryer lint removal service do it for you.
- Keep dryers in good working order. Gas dryers should be inspected by a qualified professional to make sure that the gas line and connection are intact and free of leaks.
- Make sure the right plug and outlet are used and that the machine is connected properly.
- Follow the manufacturer's operating instructions and don't overload your dryer.
- Turn the dryer off if you leave home or when you go to bed.

AND DON'T FORGET...

Dryers should be properly **grounded**.

Check the **outdoor vent** flap to make sure it is not covered by snow.

Keep the area around your dryer **clear** of things that can burn, like boxes, cleaning supplies and clothing, etc.

Clothes that have come in contact with **flammable substances**, like gasoline, paint thinner, or similar solvents should be laid outside to dry, then can be washed and dried as usual.

FACT

The leading cause of home clothes dryer fires is failure to clean them.

NATIONAL FIRE PROTECTION ASSOCIATION
The leading information and knowledge resource on fire, electrical and related hazards

FROM YOUR BUILDING DEPT

Hope everyone is having a great summer. With fall right around the corner and the temperatures starting to cool down, you will need to make sure your heating source is maintained and properly running. Here are a few tips to make sure your heating source operates at full capacity.

IS YOUR INDOOR AIR HEALTHY?

- Change your air filters. Depending on the unit and home's location, it is recommended to change your filter anywhere from once a month to once every three months. Changing an air filter is easy enough for a homeowner to do on his or her own or can be a quick fix for your HVAC contractor.
- Clean your ducts regularly. Check your ducts annually for cleaning needs. Note that the frequency of your duct cleaning may change depending on the number of people or pets in your home, types of filters used, carpet, etc.
- Clean your vents. It can be common for mold to grow on HVAC vents. Mold means their areas of excessive moisture or humidity, ideal for breeding grounds for mold spores. Those source of water, combined with collections of dust and dirt within your ductwork, are problems spots that can cause a pungent smell throughout your home. Keeping vents clean can go a long way when it comes to maintaining air quality.
- Install a whole-house air purifier. To help keep the air inside your house as clean as possible. These cleaners are designed to help minimize the indoor air pollutants, such as dust and other allergens, so you and your family can breathe easier.

FYI The George M. Suhy grant program can be applied for both furnace and air conditioning replacement.

Also, just a reminder, as of January 1, 2023, council passed the Senior/Disability Grant, this program is also a five-year program ending on Dec. 31, 2027. Any resident 60 years of age or older or a resident that has a disability qualifies for the grant program. The grant program will allow a resident three grants maxing $1,000.00 in the five year period listed above. As always, if you have any questions, please contact the building dept. @ 216-641-7020

Did You Know

Opening from a private garage directly into a room used for sleeping purposes shall not be permitted. Other openings between the garage and residence shall be equipped with solid doors not less than 1 3/8" inches in thickness or 20-minute fire-rated doors, equipped with a self-closing device.

From your Service Department

Garbage Pick Up – Recycling – Yard Waste

Our service department collects garbage every Monday morning beginning at 8:00 a.m. at no charge to its residents. They will come into your yard and take your garbage tote and recycling container to the curb; afterwards they will carry it back into your yard. Please note that if a holiday falls on a Monday, the service will commence on Tuesday.

Special Pick Up – *Now Online!*

If you need a special pick up for trash that is oversized, large amounts, or hazardous waste, you can now go online to be put on the special pick up list. Special pick up day is on Tuesday mornings, unless there is a holiday on Monday, at which time, the special pick up will be taken care of on Wednesday. You must submit your information by 4:00 p.m. on Monday to get on the list for Tuesday's pick up. Please visit www.cuyahogaheights.com at the top select **'Online Services'** & select the red **'Special Pick Up'** tab. Please fill out your name, address, and all information regarding items you would like to be picked up and where they are located. You will then get an email response when the request has been successfully submitted. **If you have any questions, please contact Vera at 216-641-3505.**

Charity Pick Up – *Now Online!*

Our service department will pick up any small usable item at your residence that you would like to donate to charity on the first Wednesday of each month. Small household items, clothes, etc., are collected and donated. No tax receipts are given for this service. Please visit www.cuyahogaheights.com at the top select **'Online Services'** & select the red **'Charity Pick Up'** tab. Please enter your address and select from the drop down. Fill out your name, phone number, email address and all information regarding items you would like to donate and where items are located. This must be submitted prior to the first Wednesday of the month for this service. You will then get an email response when the request has been successfully submitted. **If you have any questions, please contact Vera at 216-641-3505.**

Newspaper/Cardboard Recycling

Do your part in helping the environment; recycle cardboard and newspaper. Our village has a recycling container located at Bacci Park in the rear of the back parking lot. The container is strictly for cardboard and newspaper. **Please make sure to break down your cardboard boxes before placing them in the container.** Stop on down and do your part in recycling. If you have a large amount and are unable to take it to the container, please call the service department during normal business hours prior to Tuesday mornings; we will put it on our "special pick up" list.

Table & Chair Rental

A limited number of tables and chairs are available for use by residents having parties at their residence, free of charge. Please contact the service department at 216-641-3505 to reserve your tables and chairs and to arrange a time when you can pick them up.

From your Service Department (continued)

Dumpsters - *Now Online!*

Residents may rent a village dumpster for personal use at their home by paying $30.00 to the village for each dumpster load. Dumpsters can be used for yard waste, construction debris or miscellaneous household items NOT including carpet, tires, or hazardous waste. Please do not mix materials. Please visit www.cuyahogaheights.com at the top select **'Online Services'** & select the red **'Dumpster Rental'** tab. Select your address from the drop down. Fill in your name, phone number & email address. Select a requested date for dumpster to be delivered & where you would like the dumpster to be placed. There is now the option to pay the fee online via a link sent to your email. You also can drop off cash or check payments to village hall. Use of the dumpster is for a maximum of two (2) weeks. After two (2) weeks, the dumpster will be picked up from the resident's home. If the resident needs to use it again, he/she will go back on the waiting list. Please note that the disposal of debris created from outside the village is prohibited.

Pest and Insect Control

Pest control services are available by contacting our service department at 216-641-3505 with your name, address, phone number, and the nature of your problem. We will then reach out to our pest control vendor. This service is free except for termites, bed bugs, and wildlife. The village also sprays the outside of your home in the spring to hinder any unwanted pests from entering your home.

Meals on Wheels (By Lori's Custom Catering) - *Online Coming Soon!*

This service is available to any village resident that is 60 years of age or older. A lunch time meal will be delivered to your home daily, Monday through Friday, by our service department. This is an affordable option, the cost is $25.00 per week, which is only $5.00 per day (you must sign-up up for a full week.) To receive meals for a given week, payment must be made by the Thursday prior. If you have any questions regarding this service, please contact Vera Heinzman at the service department at 216-641-3505 or sd@cuyahogaheights.com.

Tree Trimming/Removal Service – *Now Online!*

The village will provide a professional tree trimmer to remove or trim a tree on a resident's property. Please note that tree trimming/removal is limited to two (2) trims per year and one (1) removal. If a crane is needed for tree removal, it is the responsibility of the homeowner to pay for the service. In addition, if a stump needs ground, it is the responsibility of the homeowner to pay for this service, whether the homeowner uses the tree company that the Village has a contract with or another tree company. Please visit online at www.cuyahogaheights.com under **'Online Services'** & select the red **'Tree Trimming'** tab.

FROM YOUR REC DEPT

Sports

If you have registered for flag football, cheerleading or soccer you should be hearing from your coaches soon to begin the season.

Now you can register for youth sports online by visiting www.cuyahogaheights.com & selecting 'Online Services'. Under 'Recreation Department' you will find the registration forms for each sport. Select which sport you would like to register for and enter the information of the child you are registering. Once you have completely filled out the registration form, digitally sign and then click 'Submit' at the bottom of the page. There is no application fee, but there will be a late fee if you submit your registration after the dates below:

Sport	Deadline
Youth Basketball	October 1, 2023

Concession Stand/Food Trucks

The 2023 concession stand season has come to an end. A huge thank you to Kelly Hartman and her staff for another wonderful summer of delicious treats!

Swimming Pool

Another summer of fun in the sun has come to an end at the pool. Many thanks to Sandi Sturgill and her staff for a safe and fun summer splish-splashing at the pool! Be on the lookout after January 1st on our village website to get early access to 2024 Pool Passes.

Cedar Point 2023 Season Pass Reimbursement

The Village of Cuyahoga Heights will reimburse $50 to any resident who purchases or has already purchased a Cedar Point Season Pass for the 2023 season. Residents must show a valid 2023 season pass or receipt of payment (with pass holder name listed) and proof of residency for reimbursement. Reimbursement will NOT be given for anyone not currently residing in Cuyahoga Heights. Please bring your valid 2023 season pass or receipt of payment (must show passholder name) and proof of residency to Village Hall for verification. Reimbursement will be issued within two weeks of submission acceptance. Reimbursement is $50 regardless of pass type purchased.

If you have any questions or need further information,
please feel free to send me an email at chvrec@cuyahogaheights.com or contact me at 216-641-2702.
Vera Heinzman, Recreation Coordinator

To the Families of the Cuyahoga Heights School District;

At the July 10, 2023 meeting of the Cuyahoga Heights Board of Education, the School Board voted to place an 8 mill combination continuing levy on the ballot for the November 7, 2023 election.

The ballot language reads:

An additional tax for the benefit of the Cuyahoga Heights Local School District for the purpose of current operating expenses and general permanent improvements that the County Fiscal Officer estimates will collect $3,504,000 annually, at a rate not exceeding 8 mills (apportioned 7 mills to current operating expenses and 1 mill to permanent improvements) for each $1 of taxable value, which amount to $280 for each $100,000 of the County Fiscal Officer's appraised value, for a continuing period of time, commencing in 2023, first due calendar year 2024.

The last time Cuyahoga Heights Schools approved millage for the school district was 2012. Since the passage of that levy the school district has:

- Maintained small class sizes, returned the gifted program to the Elementary building and expanded the AP course offerings to 13, along with implementing Project Lead the Way throughout the district to introduce students to STEM (Science Technology Engineering and Math concepts) in Elementary through High School.
- Ranked in the top 5% of all districts throughout the State of Ohio in virtually every metric used by the Ohio Department of Education.
- Maintained an outstanding Music program, being recognized by the NAMM (National Association of Music Merchants) as an outstanding community for music for 19 consecutive years. No other district in Ohio has received this recognition for the same length of time.
- Maintained outstanding athletic programs, winning a State Championship in softball as well as a runner-up finish, two runner-up finishes in the State for football, a runner-up finish in baseball, and another trip to the final four and regional finals appearances in both boys and girls basketball, as well as multiple individual performance placements in other sports.

All District Finance information can be found on the Cuyahoga Heights School District website, www.cuyhts.org. All of the district finances are documented in each of the School Board meeting minutes, located under the Treasurer reports section. You will find the following information:

- Cuyahoga Heights Schools has the 2nd lowest tax base in Cuyahoga County.
- The State continues to take money from the district in the form of the TPP phase-out to a tune of $213,000 annually.
- This coming year, Cuyahoga Heights Schools will receive less than $1,000,000 from the State of Ohio in the Fair Funding formula. Only two school districts in Ohio will receive less money from the State of Ohio. These school districts are Put-in-Bay and Kelley's Island.
- The Cuyahoga Heights School District has not experienced deficit spending over the last 11 years.

Sincerely,

Tom Evans
Superintendent
Cuyahoga Heights Schools

Cuyahoga Heights Village Residents

The Village of Cuyahoga Heights will reimburse $75 to any resident who purchases or has purchased a Cedar Point Season Pass for the 2024 season.

Residents must show valid 2024 season pass and proof of residency for reimbursement. Reimbursement will NOT be given for anyone not currently residing in Cuyahoga Heights.

Please bring your valid 2024 season pass or receipt of payment (must show passholder name) and proof of residency to the village hall for verification. Reimbursement will be issued within 3 weeks of submission acceptance.

Reimbursement is $75 per pass regardless of pass type purchased.

If you received reimbursement for a 2023 Season Pass, you are still eligible for a 2024 Season Pass!

Please contact the Vera in our recreation department at (216) 641-2702 or chvrec@cuyahogaheights.com with any questions.
