The Minutes for February & March were approved.

Went over each person's project:

Barb is talking to some of the older people in the village trying to get information for her project.

Dianne has talked to Mrs. Unger about her son and hopes to have pictures and information for the next meeting. She and Sandy are both trying to meet with the Davis family to get information and pictures for Delbert & Lester Davis. She called the Police Chief about a month ago and they have not gotten back to her about anything they might have we could copy. She was told THEY were going to do bio's on the chiefs for the new station.

Sandy showed us the books and pictures the fire department lent her. They also said if they could help in any way to call. She has some information on all Chiefs – pictures of Koran, Kaczmarek and Saunders. Barb will try to help with Chief Saunders. Sandy hopes to meet with the Koran & Kaczmarek families this month. We have scanned 86 pictures from the fire department.

Kathy showed books and pictures on the Paleo – 1600's of our part of Ohio.
