

**VILLAGE OF CUYAHOGA HEIGHTS
HISTORICAL MEETING
MINUTES**

The Historical Committee met on Saturday, November 1, 2008 at 10:00 a.m. in the Cuyahoga Heights Village Hall. Committee members present were Barb Bartczak, Cheryl Harris, Laura Hine, Dianne Suhy, and Kathy Swartout. Absent: Sandy Waldemarson.

The committee reviewed the September and October Minutes and were approved.

It was decided that due to the fact that so few people come to the Historical Room, the committee would scale down their December display and refreshments. Sandy will get cookies and Kathy will furnish drinks. The committee will check to see if the Village is having a tree lighting program, and if so, the committee would have the historical room open. The committee also talked about making old fashion Historical Christmas ornaments.

Projects:

Laura Hine talked about the Village genealogy project. She brought her computer to show the rest of the committee what she was doing and received new information from committee members. Sandy gave Kathy a list of book binders' names. Next year the committee will see about fixing their book that needs the cover rebuilt. The committee also needs to work on having old movies, pictures copied to a CD. The cookbook for Mother's Day that the committee talked about was put on hold because the Senior Citizens are thinking about doing one also. The Cuyahoga Heights 3rd grade class asked Kathy to talk to them about the Village's history on November 13th. Kathy passed around a copy of the booklet she is working on to give each student. The Village questionnaire will be ready for everyone at the next meeting. Each member is to talk to one or more of the older village residents about their lives. Harvard Grove and Calvary Cemetery tours are still something the committee wants to work on next year.

Pictures scanned: Cheryl brought pictures from the Contipelli family.

Wherefore, there being no further business, the meeting adjourned at 12:00 p.m.
