## Village of Cuyahoga Heights Newsletter ~ April 2016

### From the Mayor:

We would like to convey our deepest sympathies to the Sonoda family. Village resident, Tomo "Tomi" Sonoda, passed away on March 28; she was 93 years old. Several of you may remember Mrs. Sonoda worked as our cleaning lady at the Village Hall for many years. She is survived by her children, Glenn and Jayne. In addition, condolences to the DeCapite family. Sam, who was a long-time Valley View resident passed away last month; he was 84 years old. He was like a second father to the Bacci boys, and for those of you who know CHFD firefighter Steve Harris, this was his father-in-law. Please keep both families in your thoughts and prayers.

### Events

I hope everyone had a happy Easter holiday. It was nice to see many of our residents at our egg hunt. The weather was beautiful and the little ones enjoyed hunting for their eggs. Pictured to the left is me and John Reiger with his granddaughters; and to the right is James & Lisa King and three of their daughters. A special thank you to our Village residents and students who volunteered their time in helping out! Without their assistance, these events wouldn't be possible.

Our annual Business Networking Breakfast took place earlier this month in our Village auditorium. Police Chief Sturgill did a very good job with his "Active Shooter Training" presentation. This event is a great opportunity for our administration to visit with our businesses in the Village, and we look forward to meeting with them again in the fall at our perch luncheon.

Next month we will be celebrating Memorial Day with our annual parade and service. For those men and women that have served or are still serving our country, it would be an honor to have you participate and march in the parade. We truly need to keep this tradition alive and remember the men and women who died while serving our country. *Never forget, ever honor.*

### Projects

Newburgh Heights Mayor Trevor Elkins recently advised our office that ODOT plans to replace the Harvard Avenue Bridge over I-77 in the fall of 2018; it will re-open in August, 2019. The bridge will close completely; however, the I-77 on/off ramps will remain open. We will continue to keep you posted as we receive updated information.

## Village of Cuyahoga Heights Newsletter ~ April 2016

### **From the Mayor *(continued)*:**

#### **Special News**

Congratulations to Village residents and Junior Girl Scouts of Troop 70196 – Becky Lepkowski, Paige Porter, and Hailey Toth. The girls recently received approval on their projects in working towards their Girl Scout bronze award. This award is the highest a junior Girl Scout can earn and ultimately will lead their way to earning the Gold Award. We are very proud of these fine, young ladies.

Firefighter Randy Eliason celebrated his 30<sup>th</sup> year with the Cuyahoga Heights Fire Department on April 13. Congratulations!

#### **Senior citizens**

Our transport program continues to be one of the most utilized services our Village provides. This service is available for our senior citizens (60+) who are otherwise unable to get to their doctor appointments. If any senior citizen has a doctor's visit and are in need of transportation, please contact Lee Ann during normal business hours one week prior to the scheduled doctor's visit.

#### **Donations**

Our flower fund is supported by contributions from Village residents. It was established years ago in order to maintain our spirit of neighborliness by sending flowers, or a monetary gift of \$40.00 to the family in memory of the Village resident who passed away. Anyone wishing to donate can do so by dropping off their donation at the Village Hall to Lee Ann during normal business hours Monday through Friday.

#### **Thoughts and prayers**

Please continue to keep several of our residents in your thoughts and prayers: Theresa Bentlejewski, Mrs. Ernestine Deliberato, Mrs. Helen Leciejewski, Mrs. Donna Pellini, Mrs. Irma Schab, Mr. Micky Sajetowski, Mr. Frank Schoeffler, and Mrs. Joan Unger.

Peace Officers Memorial Day is Sunday, May 15. This holiday was created on October 1, 1961, when Congress asked President John F. Kennedy to designate May 15 to honor peace officers. President Kennedy signed the bill into law on October 1, 1962. During Police Week (*week of May 15<sup>th</sup>*), special recognition is paid to those law enforcement officers who have lost their lives in the line of duty for the safety and protection of others.

#### **Birthdays**

April birthday wishes to employees: Ken Schoeffler – April 1, Scott Waldemarson – April 7, Joanne Socausky – April 13, and Bryon Borowy – April 30.

In closing, I would like to wish all the Mom's a very happy Mother's Day!

### From the Clerk:

Looking at the RITA chart, for the first three months we are 6.48% ahead of the first three months of last year. This is a great start, but we don't know what the rest of the year has in store for the economy and our revenue, and we will continue to watch our expenses and revenue, and adjust as necessary.

Again, I am concerned about the capital projects that our community faces in the near future. There are many capital projects that will cost millions of dollars, and there is no way to move forward with these until we generate more revenue.

Our current revenue allows us to pay all of our bills and salaries, and still have over a million dollars in the bank for emergencies. Financially, we are solid, and we can continue to operate as usual without any problems. I am confident that at the end of the year under our current budget, we will be able to pay all of our bills, and have over a million dollars in our general bank account for emergencies.

Today, our finances are stable and we will continue to keep you updated. If you have any questions or concerns, my door is always open.

### Fire Department:

Our department wants to recognize Lieutenant Contipelli, Firefighter Rini, and Firefighter Goldsworth for their exemplary work during a recent squad call. Their quick decisions and response led to a positive patient outcome. The department received formal acknowledgements of, and appreciation for, the team's expert skills from both the patient and the Cleveland Clinic.

### Police Department (*continued*):

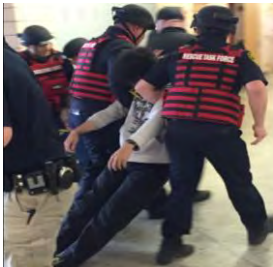

The weather is warmer so that means those who love to ride will be on their motorcycles. Motorcyclists have all the same rights and privileges as any motor vehicle driver on the roadway. During Motorcycle Safety Awareness Month in May - and during the rest of the year - drivers of all other vehicles and all road users are reminded to safely "share the road" with motorcyclists, and to be extra alert to help keep motorcyclists safe. Remember to look twice and save a life.

### TRAINING

As our continued effort to strive in excellence, the Cuyahoga Heights Police Department continues to train our officers. Over a two day period during spring break, the Cuyahoga Heights Police and Fire Departments along with Brooklyn Heights and Valley View Police Departments conducted "Active Shooter" training at the school. Each officer spent four hours at the school going through drills. This was a mandatory training for CHPD officers. Also, as we continue to prepare for this summer's Republican National Convention, officers trained in the use of gas masks.

### Community Shred Day

Mark your calendar for Saturday, May 21 from 9:00 a.m. until 12:00 p.m. We will be holding our annual document shredding event at Gateway Confidential located at 4223 East 49<sup>th</sup> Street in Cuyahoga Heights. This is a free service provided by the Village for all Village residents and businesses. There is no limit to the amount of paper you can shred. If you have any questions, please contact Councilwoman Lois Henley at (216) 410-3365.

### Memorial Day Volunteers Wanted

We are looking for students who are in need of community service hours to help us on Sunday, May 29 from 4:00-6:00 p.m. to assist children decorating their bikes, wagons, and/or scooters for the Memorial Day parade. And lastly, we are looking for students and adults to help us on Memorial Day. We need volunteers on Monday, May 30 around 9:00 a.m. to serve coffee and doughnuts to Memorial Day participants. We also are in need of several adult volunteers to grill hot dogs and hamburgers for the cook out at Klima Gardens after the Memorial Day services. In addition, we need student volunteers to help pass out the food. Volunteers can contact Mrs. Jennifer Ulery or Lee Ann Schoeffler at the Village Hall during normal business hours. *\*\*Students will earn community hours.*

### Village Wide Garage Sale

It's time to start cleaning out your closets, garage and basement! The Village is having their annual garage sale on Saturday, June 25 from 8:00 a.m. until 3:00 p.m.

Village residents that are interested in participating in the garage sale at their homes need to register by calling the Village Hall at (216) 641-7020 during normal business hours. By registering your residence for this event, you will receive one (1) table which will be dropped off at your home earlier that week by our Service Department. Please be advised that there are not enough tables for more than one table per residence. In addition, we will be placing ads in the Neighborhood News and Sun Courier in an effort to promote our Village wide garage sale.

The deadline to register is **Wednesday, June 8** -- call now to register.

Tomo (Tomi) Sonoda passed away Monday, March 28. She was 93 years old, born in California and was the oldest of 15 children. We believe 7 brothers and one sister remain. Jayne and I would like to thank Cuyahoga Heights for providing a wonderful environment for raising kids, providing services to home owners, and especially helping the elderly. Betty Yarmesch was a wonderful friend who took our Mom and other seniors on many bus trips. We can't begin to name all the people who touched her life including her neighbors, the Village staff, fire, police and service workers who were there whenever she needed help. Thank you all again for being part of our family's life.

### Sports Commissioner:

As you may know, I was recently appointed as your Sports Commissioner following in the very large shoes of my husband, Joe, who held the position for more than 6 years (and it's a blessing to have him on hand to answer my every question). We have lived in the Village for more than 14 years and watched our 2 kids grow up through our recreational sports teams. I am looking forward to playing a small role in helping you do the same.

It's been an exciting start to 2016 so far. Through the help of our neighboring villages, we were able to place 9 of our children on Valley View (2) and Brooklyn Heights' (7) recreational spring soccer teams. A special thank you to both villages for working to find the right homes for our kids so that they can enjoy the soccer season.

An update regarding registration forms...when our Village isn't able to host our own teams due to low enrollment; we work with the villages of Valley View and Brooklyn Heights to place your children on teams. As part of the registration process, we are adding a section on the forms for parents to include their preferred team/coach. While we cannot guarantee that your child will be placed on the requested team, we will do whatever we can to try to make it happen. Unfortunately, there are roster rules and guidelines that we are all required to meet and that may add constraints on the placement of the kids. Please know that we have a strong support network in place and work very hard to make every season a successful one for your child.

Now, it's time to gear up for the baseball/softball season! We have already formed several travel teams and are working diligently to form the recreational teams. Parents should hear from coaches by the end of the month.

New this year, we are hosting the high school baseball and softball teams! Practices are in full swing...and the Varsity Lady Redskins held their season opening double-header at Bacci Park on Saturday, March 26, versus Twinsburg. Special thanks to Rick Henley for masterfully preparing the softball field with only about an hour notice after learning that the original venue was unplayable. Also, special thanks to both teams for their patience and flexibility. Although it was a chilly start, it turned out to be a beautiful day to play ball and we couldn't have been more proud to host the teams. Although Twinsburg defeated our ladies, they posted a lot of impressive stats. We hope to see many families out to support all of our teams over the next several months!

I look forward to meeting and working with you all. I can be reached at [Stacey\\_Vitanza@yahoo.com](mailto:Stacey_Vitanza@yahoo.com) or on my cell phone at 440-227-3801.
