

## Village of Cuyahoga Heights Newsletter ~ March 2017

### Fire Department:

The Village will be participating in a statewide tornado drill on **March 22 at 9:50 am**. We will be sounding our warning sirens throughout the Village. Below are some safety tips to follow shall we ever have a tornado in our area.

On March 4<sup>th</sup> firefighter Pete Panizzutti and Lieutenant Steve Harris took part in the Fight for Air Climb to benefit the American Lung Association. Each firefighter climbed 42 floors (802 stairs) of Cleveland's Terminal Tower in full turnout gear and air tanks. Congratulations to both men for completing this fundraising event.

### Memorial Day Trip to Calvary Cemetery

The Historical Committee will be visiting Calvary Cemetery on Sunday, May 21 in honor of Memorial Day (*weather permitting*). Hopefully the weather will be cooperative. Since most folks are busy on the holiday weekend we have chosen the week before to offer this annual opportunity to those who can't always get there or don't want to go alone. Anyone interested in joining can call or email Mark Chase to sign up at 216-409-1179 or [jfkmarkchase@gmail.com](mailto:jfkmarkchase@gmail.com).

### Clinic:

The Village operates a well visit clinic with a registered nurse. Residents (60 years and older) are eligible for certain blood work at no charge once a year. The Clinic is located in the Village Hall and is open by appointment year-round. Please call JoAnn Socausky, R.N. at (216) 401-1039.
