With over 35 years in commercial and residential garage door installation and service, Advance Door Company prides itself on supplying great value and top quality garage door service.

# Advance Door Company

Village of Cuyahoga Heights | Featured Business | 2018

We are a family owned business operating under the same ownership since our founding in 1979. Customer service is at the core of our success and is reflected in our 24/7 service commitment with no overtime or premium rates including weekends. Our service technicians are prompt, professional, and courteous. Each of our sales estimators has more than 15 years experience in the industry. Whether your needs are a small garage door repair for your home or a major commercial construction project for your business, our experienced staff is prepared and ready to assist you.

Servicing your garage door/opener from our convenient Cleveland, Ohio location, Advance Door Company has become the most trusted name in Northeast Ohio for garage door service, commercial and residential. You will find our pricing competitive with a goal to reduce your overall cost. We stand behind our products and services and look to develop long term relationships with our customers.
