

## From the Dispatch Department

The emergency warning sirens are tested the first Saturday of every month at noon, the siren will run for one minute. Our Village has three sirens located throughout the Village, one is on the roof of the Fire Department, one is on Chapek Drive and the other is on a building at Northeast Regional Sewer Department. These sirens are used to mainly inform the public of any tornado warning in Cuyahoga County.

Residents:

If you are not in our SwiftReach system and would like to be, you can either use the SwiftReach portal on the Cuyahoga Heights Village Website on the Police page or contact Dispatch Supervisor Barb Cash at the Police Department directly at 216-883-6800. The SwiftReach system is used to notify our residents and businesses, by telephone, of any emergency situations that may occur in Cuyahoga Heights. The telephone numbers you supply the Police Department are kept strictly confidential and are not given out to the public.

## From the Fire Department

On March 3<sup>rd</sup> firefighter Pete Panizzutti and Lieutenant Steve Harris took part in the Fight for Air Climb to benefit the American Lung Association. Each firefighter climbed 42 floors (802 stairs) of Cleveland's Terminal Tower in full turnout gear and air tanks. Congratulations to both men for completing this fundraising event.

**1,200**  
**TORNADOES**  
HIT THE U.S. EACH YEAR

Make sure you **DUCK** during a tornado!

**D**own - Get down to the lowest level  
**U**nder - Get under something  
**C**over your head  
**K**ee in the shelter until the storm has passed
