## Senior citizens

Our transportation program continues to be one of the most utilized services our Village provides. This service is available for our senior citizens (60+) who are otherwise unable to get to their doctor appointments. If any senior citizen has a doctor's visit and are in need of transportation, please contact the Village Hall during normal business hours **one week** prior to the scheduled doctor's visit.

The Village also operates a well visit clinic with a registered nurse. Residents (60+) are eligible for certain blood work at no charge once a year. The clinic is located in the Village Hall and is open by appointment year-round. Please call JoAnn Socausky, RN at (216) 401-1039. If she doesn't answer, please leave a message with your name and phone number.

*Our debt to the heroic men and valiant women in the service of our country can never be repaid. They have earned our undying gratitude. America will never forget their sacrifices.*

*President Harry S. Truman*

Remember -  
our fallen heroes.  
They are the reason  
that we are free.
