George M. Suhy Grant Update

At the June 13, 2018 Village Council Meeting, legislation was passed amending the George M. Suhy Grant. A homeowner may now receive three grants in a five-year period; however, if three different improvements are made within a year, the homeowner may apply for grant reimbursement for the three projects in the same year, but no further reimbursements will be made during the five-year period.

In order to qualify for a grant, a property owner MUST SUBMIT AN APPLICATION IN ADVANCE of the qualifying improvement being started. The Building Commissioner must be permitted to inspect the property BEFORE the qualifying improvements are made.

If you need further clarification, please contact the Building Department at 216-641-7020 during normal business hours Monday through Friday.
