

## Heat Seal

4922 East 49th Street, Cuyahoga Heights, Ohio 44125

### Company Profile

Industrial equipment supplier founded in 1950, Heat Seal manufactures a full line of packaging and process equipment for the food service and industrial packaging industries. All products are manufactured in Cleveland, Ohio. Heat Seal specializes in industrial packaging, food service equipment and stainless steel tables. Heat Seal's commitment to quality and innovation allowed the company to fast become a major machinery supplier for the supermarket industry. The continued success of Heat Seal in this market has enabled the company to innovate and develop machines for different packaging methods.
