From the Dispatch Department

The severe storm season is underway and therefore an occasional power outage may occur.

Remember that when there is a power outage Cuyahoga Heights residents should call the Illuminating Company directly at 1-800-589-3101 or 1-888-544-4877. They are the experts at getting you back on line.

Also remember during a power outage, the Cuyahoga Heights Police Dispatch will be handling an influx of calls, so be patient.

Just a reminder to all our residents that if you are going on vacation you can call dispatch at 883-6800 to put a special attention on your home. We are going to ask you when you will be leaving and when you will be returning home, if you have stopped your mail and paper, if you are going to leave any lights on in your home, if anyone will be stopping at your home during your absence and an emergency telephone number in case there is a problem. Dispatch will then forward that information to the police officers, so they can check your residence throughout the day and night.

From the Village Hall

With spring in the air, we shift into more outdoor activities with our families. Please remember when walking your pets, it is your responsibility to pick up after them. The Village Hall pavilion and playground areas are provided as a spot to take the children and maybe have an impromptu picnic. It's unpleasant to enjoy these activities when dog droppings are littering the area. We ask that you remember to keep the area clean for all to enjoy. Your cooperation is appreciated.
