

From the Police Department

With the end of the school year quickly approaching the CHS seniors will soon be graduating. This will bring to the community many graduation parties and celebrations. Please keep the following tips in mind in relation to these gatherings.

Student Driving Tips

- Drive on well-lit roads and be sure to have your charged cell phone with you always.
- Make sure that your date and/or driver does not drink any alcohol.
- Before you leave home, have directions to where you are going.
- Do not take pictures or selfies while driving or as a passenger.
- Keep the radio volume turned low enough so the driver can concentrate.
- Plan ahead - make sure you have a safe plan for prom night and keep it!
- Discuss your plans with your friends; remind each other about responsible decision-making and confronting peer pressure.
- Know where you are and where your plans will take you next; keep your parents and friends updated.
- Remember to contact your parents if your plans change.
- Do not allow anyone in your car that has alcohol, drugs or weapons. Remember everyone in the car will be held responsible

Parental Guidelines

- Know who your child is attending the party with and obtain all cell phone numbers.
- Discuss the graduation events and parties with your teen and with other parents.
- Talk with your teen about guidelines and a curfew. Talk about the consequences of violating these rules.
- Talk to your teen about the serious dangers and consequences of underage drinking and driving.
- Remind your child that you are there for them, if they need a ride home. No questions asked!

When Your Teen Attends A Party

- Contact the parents/adults to verify the occasion and the time of the party.
- Ensure that an adult will be home and that there will be no alcohol or other drugs permitted.
- Be sure to know the location of the party and the phone number of those hosting the party.
- Arrange transportation beforehand. Assure your teen that you or a specified neighbor or friend can be called if a ride home is needed.
- Agree on curfew times with your teen before the party starts.
- Be awake when your teen gets home. This will give you the opportunity to talk with your teen and to check their arrival time.

Hosting Teenage Parties

- An adult should be present at home throughout the length of the party.
- When possible, do not have the party in a separate part of the house.
- Parents need to stay visible during the entire party.
- Bring snacks or non-alcoholic beverages to where the teens are congregated and wander through often to say hello.
- Do not allow any teen who leaves the party to return to the gathering.
- Remember, Ohio law prohibits providing alcohol to minors.

The Cuyahoga Heights Police Department participated in the annual Greater Cleveland Peace Officers Memorial Society Parade on Friday, May 17, 2019. Starting at 06:00AM until 02:00PM, police officers from around the area take turns standing guard at the memorial. The names of each and every officer killed in the line of duty are read continuously during this detail. The previous is then followed by a large parade and a closing memorial service at which guest speakers and survivors are invited to speak.

One hundred and sixty-three (163) police officers lost their lives in 2018 and from this list two names were added to the Greater Cleveland Peace Officers Memorial.

From the Dispatch Department

When you call the police

- Speak calmly and clearly
- Give your full name and phone number so we can call you back if we need more information
- Be patient, the dispatcher may have an emergency on the next line

If you call **911** by accident, **STAY ON THE LINE** and let the dispatcher know it was an accident.

Just a reminder to all our residents that if you are going on vacation you can call dispatch at 883-6800 to put a special attention on your home. We are going to ask you when you will be leaving and when you will be returning home, if you have stopped your mail and paper, if you are going to leave any lights on in your home, if anyone will be stopping at your home during your absence and an emergency telephone number in case there is a problem. Dispatch will then forward that information to the police officers, so they can check your residence throughout the day and night.
