Snow Removal Program *Residential Snow Removal Program

- All Village roadways will be plowed first and maintained prior to any driveways being plowed.
- Once the Service Director feels that the roadways and municipal buildings have been maintained, the driveways of our senior citizens will be plowed (using the same criteria that applies to our grass cutting service).
- Afterwards, taking into consideration manpower, time and safety issues, the Village will help residents with their driveways in the event of a storm that produces more than 2-4 inches of snow at the resident's request.
- All residents must have driveway markers in place in order to allow the Service Department to plow their driveway. The Village will provide markers and place them for all seniors who qualify for the "grass cutting program." Residents with shorter driveways need 4 markers in place, and long driveways must have 6 markers. They need to be placed at the beginning, middle (if long drive), and at the end of your drive. If you wish to purchase markers from the Village for \$1 each, please stop at the Service Department. Should you have any questions please contact Service Director, Dave Sammons at 216-641-3505.
- Please note that residents are responsible for cleaning their driveway aprons, as it is difficult to plow them over again after the streets are plowed. Each homeowner and/or resident must have a waiver of liability on file at our Service Department. If you already have filled out a waiver of liability and there have been no changes to it, there will be no need to fill out a new one.
