Reservations are required and obtained by call the Village Hall at (216) 641-7020 before 8:30 a.m. on the morning of the trip. For a Saturday, trip, please call the Village Hall before 3:30 p.m. on Friday. All trips leave approximately at 9:00 a.m. unless otherwise noted. In addition, pick-ups and drop offs are made at the resident's home. Please note that there is a \$5.00 non-resident fee.

New Residents

If you recently moved into our Village, we need your help! Please contact the Village Hall during normal business hours with your name, address and phone number so we can update our records. You may also email the information to Lee Ann at l.schoeffler@cuyahogaheights.com.

Newsletter

If you wish to submit information for our newsletters, please make sure that it is turned in to Wendy Heinzman by the 15th of the month to be included in the following month's newsletter. Please email the information to w.heinzman@cuyahogaheights.com.

West Side Market

The bus will pick up residents at their home beginning at 7:00 a.m., and shoppers will have a couple of hours to enjoy all the market has to offer. The bus will depart the market at 9:45 a.m. to bring you back to your residence. Residents must register by calling the Village Hall no later than 3:30 p.m. on Friday, the day before the trip. Please also note that children 15 years of age and younger must be accompanied by an adult. Our next trip is scheduled for January 4, 2020.

Pest Control Program

Pest control services are available by calling Rich or Jeremy Kozlovich at Pest Management, Inc., at (216) 661-3553. Please leave a message with your name, address and nature of problem. This service is free except for termites, bed bugs, and wildlife. In addition, they will also spray the outside of your home in the spring to hinder any unwanted pests from entering your home.

Pet Clean-Up Etiquette

Please remember when walking your pets, it is your responsibility to pick up after them. The Village Hall pavilion and playground areas are provided as a spot to take the children and maybe have an impromptu picnic. It's unpleasant to enjoy these activities when dog droppings are littering the area. We ask that you remember to keep the area clean for all to enjoy. Your cooperation is appreciated.

The Three S's of Winter Prep: Season, Storm, Supplies.

Seasonal Maintenance is Critical

Have snow-removal equipment and the heating system serviced on an annual basis, which includes testing to make sure the heat is working throughout the home.

Insulate any pipes that are susceptible to freezing and unhook hoses from outdoor faucets. Plus, it's a good idea to locate your water shut-off valve and ensure it is in working order.

Storm Preparation is Important

Pay attention to local TV and radio stations for important weather updates.

Become familiar with how to trip the manual release on overhead garage door openers and have shovels ready ahead of the storm.

Make a family communication plan in case you're not together when the storm hits.

When a storm is imminent, move vehicles off the street.

Supplies are Crucial

Have bottled water and non-perishable foods, clothing and blankets, batteries and flashlights, snow shovels and other snow-removal equipment on-hand in the event of an extended power outage.

Keep a supply of rock salt, other ice melt or sand, in case the stores run out during a particular storm.

Don't forget your pets - bring them inside during bad weather.
