Below: Copies of the front & back of the 1963 schools day badge Tom Chase posted on the Facebook page. These are great items for the Village's Historical Archives. The Fire Department received an e-mail from someone who had bought the Cuyahoga Heights Fire Department's 1953 Cadillac ambulance and plans to restore it.

Mark Chase posted these pictures on our Facebook page showing what the ambulance looks like now and the identification card.

## **Do You Know?**

The village will celebrate it's centennial in 2018. The Historical Committee will need more members to help plan and rework the Kennedy house displays for the 100th anniversary celebration. The committee will also be helping with programs the mayor and council are planning. We would like to add two new members to the committee. If anyone would like to become a committee member please contact Sandy Waldemarson or the village hall.

If anyone is interested in doing the Willow House Times next year please let Sandy know. This might be a project for a high school student for their school community service.

## **Committee News**

The Historical Committee's next meeting will be October 1, 2016, from 10 AM till 12 noon. This is the last meeting in 2016. Everyone is welcome to attend the meetings, or look at the displays in the Kennedy House. You can also schedule a time to visit by contacting any committee member or the village hall. We have had out of town families, senior groups, 3rd grade classes, groups from the park systems & former residents back for reunions ask to visit.
