Village of Cuyahoga Heights

Annual Halloween Party

Sunday, October 29, 2017

2:00—4:00 p.m.

Ksima Gardens

Join us for scary good fun and good food —

Don't forget to wear a costume!

All Village children (and grandchildren)

are invited, bring your parents and grand-

parents, they'll have fun too.

If you have any questions, call the Village

Hall at (216) 641-7020

YOUTH BASKETBALL CLINIC

Receive basketball instruction from the Girls and Boys coaching staffs at Cuyahoga Heights High School. The format will start with instruction on fundamentals, drills, and basic concepts. Later in the clinic, the children will be given the opportunity to put their skills to use while playing in an "Open Gym" format, while the Cuyahoga Heights High School coaches instruct during play. This is an opportunity to help your child develop his or her skills in a fun setting, and players of all skill and experience levels are encouraged to attend. **Parents and youth coaches are also invited to attend because the CHHS coaches on site will be available to answer questions from and offer tips to youth coaches and parents during the course of the clinic!**

Location: Valley View Community Center
Sunday, November 5, 2017 1:00-3:00 PM
(for boys and girls currently in Grades 3-6)

Fees: Valley View Residents – No Charge
 Non-Residents - \$7 per child

Make checks payable to: The Village of Valley View
 Please return completed registration forms with payment to:
 Valley View Community Center
 Youth Clinics
 6828 Hathaway Road
 Valley View, Ohio 44125

If you have questions, please contact Todd Von Ville at 524-9365

Build a Kit

One of the cornerstones of Preparedness is having the supplies you need when you need them. FEMA recommends a basic kit, but a personal preparedness kit can include anything you want or need. Keep it portable and only essential items. Below are suggestions and recommendations.

A Good Preparedness Kit for your home should contain....

- Water: one gallon per day per person
- Food: Non-Perishable
- Battery-powered or hand crank radio and a NOAA Weather Radio with tone alert
- Flashlight
- First Aid Kit
- Prescription Medications and glasses
- Signal Whistle
- Dust Mask
- Personal Sanitation Items
- Wrench or pliers to turn off utilities
- Can Opener for food (if kit contains canned food)
- Local Maps

A Good Preparedness Kit for your pet should contain...

- Food: 3 days in an adequate container
- Water: 3 days worth
- Medicines and Medical Records
- First Aid Kit: Talk to your veterinarian about what your pet needs
- Collar with ID tag, harness, or leash
- Crate or other Pet Carrier
- Sanitation: Litter, newspaper, and items to clean up messes
- A picture of you and your pet together:
 - A picture of both of you can help with the reunification process
- Familiar Items, such as toys. These can help reduce stress

A Good Preparedness Kit for your automobile should contain...

- Jumper cables
- Flashlights and extra batteries.
- First aid kit and necessary medications in case you are away from home for a prolonged time
- Food items containing protein such as nuts and energy bars; canned fruit and a portable can opener
- Water for each person and pet in your car
- AM/FM radio to listen to traffic reports and emergency messages
- Cat litter or sand for better tire traction
- Shovel and ice scraper
- Warm clothes, gloves, hat, sturdy boots, jacket and an extra change of clothes
- Blankets or sleeping bags

*Extra batteries for your kit are recommended

Also consider...

- A fully-charged cell phone and phone charger
- Important family documents
- Flares or reflective triangle
- Baby formula and diapers if you have a small child
- Be prepared for an emergency by keeping your gas tank full and if you find yourself stranded, be safe and stay in your car, put on your flashers, call for help and wait until it arrives

BUILD A KIT

Include enough food, water, and medical supplies for your needs in your emergency kit to last for at least 72 hours.

Halloween Safety

Halloween is coming, and costume parties and trick-or-treaters are coming with it. Here are some tips to consider when choosing your costumes, and to help keep you safe.

A SAFE
HALLOWEEN
IS A
HAPPY
HALLOWEEN!

- S** Swords, knives, and other costume accessories should be short, soft, and flexible.
- A** Avoid trick-or-treating alone. Walk in groups or with a trusted adult.
- F** Fasten reflective tape to costumes and bags to help drivers see you.
- E** Examine all treats for choking hazards and tampering before eating them. Limit the amount of treats you eat.

- H** Hold a flashlight while trick-or-treating to help you see and others see you. WALK and don't run from house to house.
- A** Always test makeup in a small area first. Remove it before bedtime to prevent possible skin and eye irritation.
- L** Look both ways before crossing the street. Use crosswalks wherever possible.
- L** Lower your risk for serious eye injury by not wearing decorative contact lenses.
- O** Only walk on sidewalks whenever possible, or on the far edge of the road facing traffic to stay safe.
- W** Wear well-fitting masks, costumes, and shoes to avoid blocked vision, trips, and falls.
- E** Eat only factory wrapped treats. Avoid eating homemade treats made by strangers.
- E** Enter homes only if you are with a trusted adult. Only visit well lit houses. Never accept rides from strangers.
- N** Never walk near open flames. Be sure to wear flame resistant costumes.
