

Charter Steel

4300 East 49th Street, Cuyahoga Heights, Ohio 44125

Company Profile

Charter Steel, a division of Charter Manufacturing, is a leading American supplier of carbon and alloy steel bar, rod and wire products with distribution and manufacturing facilities in Wisconsin and Ohio. As an integrated steelmaker, Charter Steel's capabilities include steel melting, bar and rod rolling, coil processing and wire drawing. Charter Steel/Cleveland operates a fully integrated mini mill that includes a state of the art melt shop built in 2006 and a rolling mill built in 1996 and acquired by Charter Steel in 2002.
