

## **Commercial Group Lifting Products**

5213 Grant Avenue, Cuyahoga Heights, Ohio 44125

### **Company Profile**

Commercial Group Lifting Products purchased Cleveland's Great Lakes Supply in 2000, joining branches in Flint, Detroit, Cincinnati and Chicago. The company is one of the largest full-line manufacturer of slings of all types including wire rope, chain, nylon and Slingmax high performance synthetics. They engineer and distribute fall-protection equipment including harnesses, lanyards and retractors.
