

Consolidated Electrical Distributors, Inc. (CED)

4580 East 71st Street, Cuyahoga Heights, Ohio 44125

Company Profile

Consolidated Electrical Distributors, Inc. (CED) manufactures and wholesales electrical systems and equipment. The company provides electrical equipment to residential, commercial, industrial facilities, and factories. CED has one of the nation's largest electrical wholesale distribution networks with over 650 locations in 48 states. They sell anything that touches a wire from working with contractors that build and maintain homes/buildings; utilities bringing power to where it needs to go; to manufacturing plants that produce the products for everyday use.
