

## **Herbst Electric Company**

5171 Grant Avenue, Cuyahoga Heights, Ohio 44125

### **Company Profile**

Established in 1989, Herbst Electric Company is an active member of the National Electrical Contractors Association and other industry and trade groups. The company has extensive expertise and experience in the following areas: water and wastewater treatment plants; large industrial and manufacturing complexes; automotive and steel; nuclear and conventional power station construction and maintenance; substation construction and maintenance through 765 KV; speciality transformer work; overhead and underground line maintenance; transmission and distribution construction and maintenance and commercial facilities such as hotels, banks, hospitals, office buildings, and retail outlets. Herbst Electric Company also works closely with architects and engineers to ensure the smooth integration of our electrical system into the whole project.
