

Tymex Plastics, Inc.

5300 Harvard Avenue, Cuyahoga Heights, Ohio 44105

Company Profile

Tymex Plastics is a privately held company established in 2001 to service the rotational molding industry with state-of-the-art compounding and pulverizing capabilities. The company has grown to evolve into a full-service plastic compounder and recycler. Their management team has over 85 years of plastics sales, operations, and production experience. The company specializes in the implementation of cost-saving thermoplastic recycling and color compounding programs that provide customers with various options that will conform to their needs and abilities. Tymex Plastics works closely with a local trucking company, Thomas Transport, to respond quickly to their customers' demands.
