

Compliance Technologies Inc. (CTI)

4510 East 71st Street, Cuyahoga Heights, Ohio 44105

Company Profile

CTI effectively provides customized solutions in Environmental, Health, and Safety regulatory compliance. For over 30 years, we have dedicated our work to limiting environmental and safety risk exposure for companies of all sizes. CTI offers a host of services including EHS assessments and audits, customized in-plant services, permits and reporting, OSHA, EPA, and DOT Training, real estate due diligence, and more. The volume of regulations that apply to Northeast Ohio businesses can be overwhelming. CTI takes the worry out of compliance so our clients can focus on what they do best... serving their customers.
