

## **Pennsylvania Steel Company**

4521 Willow Parkway, Cuyahoga Heights, Ohio 44125

### **Company Profile**

Pennsylvania Steel Company is a metal service company. Its core products include carbon tubing and pipes, fiberglass grating and flooring products, aluminum round bars, flat bars, angles, channels, structural tubes, and custom shapes; carbon and alloy steel round bars, cold finished bars, stainless steel angles and flat bars; hot rolled steel flats, and tool steel grades. The company offers cutting, shearing, and grinding services, as well as bar sawing, aluminum plate sawing, custom extrusions, and delivery services. Pennsylvania Steel Company moved their Erie Metals Division into Cuyahoga Heights in the fall of 2020.
