New Rules for Voting in 2023

Voting on Election Day at the Polls: The following are acceptable forms of identification (ID) for voting a regular ballot at the polls on Election Day:

- An Ohio driver's license
- An Ohio state ID card
- An interim ID form issued by the Bureau of Motor Vehicles
- A U.S. passport or passport card
- A U.S. military ID card, Ohio National Guard ID card, or U.S. Department of Veterans Affairs ID card
(that includes the voter's name and photograph).

Notes: An Ohio driver license or state ID card must be *unexpired*. An Ohio driver license or state ID card with a voter's previous address is acceptable, if the previous address matches the voter's record in the pollbook. A state ID card is the primary form of photo ID for a person who does not hold any type of driver license or whose driver license is suspended.

Free State ID Cards: Any person 17 and over who applies for and receives a state ID card from the BMV will receive it for free.

Voting Early In-Person at the Board of Elections: The ID requirements are the same as when **Voting on Election Day at the Polls**.

Note: The day before Election Day (Monday) has been eliminated as an Early In-Person voting day.

Vote-by-Mail: One of the following are acceptable forms of ID to apply for and return an absentee ballot by mail (VBM):

- An Ohio driver's license *number*
- An Ohio state ID card *number*
- The last four digits of the elector's social security number (SSN)
- A *copy* of a photo ID. For a driver license and state ID, this means a copy of *both* the front and back. For a U.S. passport, a copy means a copy of the ID page of the passport that includes the elector's name, photo, and other identifying information, including the expiration date.

Notes: **NEW DEADLINE!** Vote-by-Mail Ballot Applications **must be received by the Board of Elections the Tuesday before the election**. Ballots must be postmarked on or before the day before an election. **NEW DEADLINE!** Ballots mailed to the Board of Elections must arrive at the Board of Elections within four days after the election. The previous deadline was ten days after the election.

Voter Registration: A person who registers or updates their registration online must continue to provide both an Ohio driver license/state ID number and the last four of their SSN. Paper voter registration cards require an Ohio driver license number or the last four digits of an SSN. **NEW:** An Ohio state ID card number is now acceptable.

Young Poll Workers: Any person who is at least 17 years of age may now be a poll worker. In the past only 17-year-old high school seniors were allowed to be poll workers.
