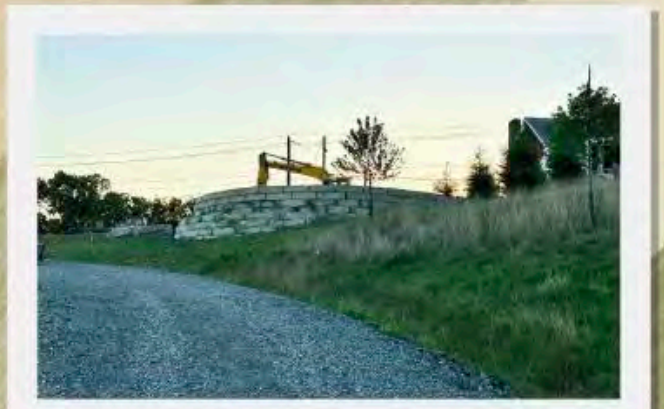
Village Finance Update

At the end of July our RITA Income Tax Revenue totaled $9.7 million; our total revenue is trending as expected and on track to reach the budgeted total revenue at year end.

We are delighted to have been awarded over $700,000 in grant funding to be used on various projects throughout 2023.


Some of these projects include the Bacci Park playground, demolition of the old Benjamin Moore site, demolition of houses on Marcelline Ct. and the Willowbrook Connector Trailhead project as seen in the pictures below.
